

Compliance Statement with REACH, RoHS, and TSCA Regulations

Marti Ltd. hereby declares that our products, which are placed on the market of the European Union, fully comply with regulations such as the REACH Regulation and RoHS Directive.

In accordance with the REACH Regulation (1907/2006/EC) and RoHS Directive (2011/65/EU), we confirm that all raw materials used in the production of our products do not contain any prohibited substances and are registered by our suppliers. This includes all substances covered by the Candidate List of Substances of Very High Concern (SVHC) under the REACH Regulation.

All our products supplied to Koenig & Bauer are made of stainless steel, aluminum, and carbon steel alloys, without any surface treatments, which means they fully comply with the substance requirements stated in the aforementioned laws and directives.

The compliance statement with REACH, RoHS, and TSCA regulations confirms our commitment to protecting human health and the environment, and providing safe products in the market.

Thank you for your understanding and support. We look forward to continuing our confidential collaboration.
